

# Community Mentoring Program

## Information Sessions in Melbourne's East

HOME Hospice's Community Mentors are special volunteers ~ 'knowledgeable friends' who help carers find the support they need so that their loved ones can live out their lives at home.

### Would you like to come along?

- ★ Have you cared for a loved one with a terminal illness in the past?
- ★ Are you looking for a volunteer role that really makes a difference?
- ★ Are you interested in improving community attitudes to dying and death?

### Learn more about:

- ★ HOME Hospice's Community Mentoring Program, starting soon in the East
